

I Make A Difference

I can make a difference by
Showing up to my 4th grade class everyday
By just smiling and waving at each child.

I can make a difference by
Helping a ten year old finally get homonyms
Or by watching a five year old finally understand time.

By being that hug everyday
And letting someone know that, no matter what,
They will always have someone to cheer them on,

I make a difference.
I am a teacher.
